

POOR MAN LOCKER

Make your rental customers happy with an easy and economical method to organize and store their employee's clean uniforms.

And, your route salesmen will be happy also. It will be easy for them to locate whose uniforms go where..

Easy to install - just print the rental customer name on a mailing label and attach it to the metal plate. Or, just write the wearers name on the metal plate.... Then place each Poor Man Locker on a Z-Rack, Pipe Rack or even a broom stick nailed to the wall and you've got it.

Made in the USA from heavy gauge galvanized wire with an aluminum metal plate to last a long time.

POOR MAN LOCKER

Poor Man Locker is "the" easy way to organize uniforms.

Great way for sorting and organizing rental customer uniforms. No matter the size of the account, it could be just several or several thousand employees.

And, make it easy for your route salesmen to locate each uniform wearer's place.

Minimal cost and space compared to buying and installing metal lockers to organize your customers uniforms.

Rental customers love the ease in finding and keeping their uniforms neat and organized.

Made from heavy gauge galvanized wire frame with a pre-painted aluminum plate for long lasting use.

INSTALLATION INSTRUCTIONS
